Reason for Allowance

1. Claims 1, 4-6, 13-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The prior art of record taking singly or in combination does not teach or suggest a combination of a system for setting a real-time clock on a redirection device and converting time data received from the redirection device comprising: a redirection device operatively connected to a server computer and comprising a real-time clock operative to maintain a time for the redirection device, the redirection device operative to: receive a command to set the real-time clock to a specified GMT time value, in response to receiving the command, set the real-time clock to the specified GMT time value, monitor operation of the server computer to compile health data, the health data comprising one or more health management events and a GMT time at which each of the health management events occurred retrieved from the real-time clock; and a web browser plug-in module executing on a remote computer communicatively connected to the redirection device, the web browser plug-in module operative to: send a command to the redirection device to set the real-time clock to the specified GMT time value, retrieve the health data from the redirection device, upon retrieving the health data, determine whether the health data includes time data, upon determining that the health data includes time data, convert the time data from the GMT time to a local time, and replace the time data in the health data with the converted time data. The closest prior art of record (i.e Boss et al. (Patent no.: US 6,157,618) and Dawson (PGPUB no.: US

Art Unit: 2445

2002/0042765 A1)) does not teach or suggest this feature. Based on this reasoning, claim 15 is allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
